Regular Check ins and Comments	"At this time we will take first time check-ins. Please say "this is" then unkey then give your name and call sign and location. Also state if you have any questions or comments for the net. " During check-ins, when activity pauses, read back the calls of those who just checked in, especially if you hear a "double" during the check-ins. "I have x8xx, w8xx, N8xx, ... are there any others." This helps if you get a callsign confused. (Anyone with comments – let them do their comments)														
Officers Late Check-in	After finishing the first round of check-ins, see if there are any officers who need to check in "xx8xx, please call W8HP"														
Late Check-ins	"Are there any late check-ins for the net? Please say "this is" then unkey then give your name and call sign and location"														
Announcements	From Zero Beat or other sources not already relayed via the net.														
Final Comments	"Are there any final comments before I close the net?"														
Close the net.	"Thank you all for your participation. I would like to thank the Hazel Park Amateur Radio Club for the use of this repeater for the net. At this time we will close the net and return the repeater to normal amateur use. This is (your callsign) out."														

A Note to net controllers – Be sure to write down the calls legibly, and date the log sheet. We may start saving the logs to keep track of check-ins.
